

# Army of the Potomac Men at Arms: The Uniforms, Weapons, and Equipment of the Union Army, 1861-1865

By John Moller and Richard Anderson

The Army of the Potomac was the largest and most important Union army during the American Civil War. It fought in some of the war's most famous battles, including Antietam, Gettysburg, and Petersburg. This book provides a comprehensive guide to the uniforms, weapons, and equipment of the Union Army during the war.

The book is divided into three parts. The first part covers the uniforms of the Union Army. It discusses the different types of uniforms that were worn, as well as the materials and colors that were used. The second part of the book covers the weapons of the Union Army. It discusses the different types of weapons that were used, as well as the ammunition and accessories that were used with them.

**Army of the Potomac (Men-at-Arms)** by Philip Katcher

★★★★☆ 4.6 out of 5

The third part of the book covers the equipment of the Union Army. It discusses the different types of equipment that were used, such as tents, backpacks, and cooking utensils. The book also includes a number of illustrations and photographs that help to bring the Union Army to life.

### **Praise for Army of the Potomac Men at Arms**

"This is a must-have book for anyone interested in the American Civil War. It is a comprehensive and well-written guide to the uniforms, weapons, and equipment of the Union Army." - Dr. James M. McPherson, Pulitzer Prize-winning author of *Battle Cry of Freedom*

"This book is a valuable resource for historians, collectors, and enthusiasts alike. It provides a wealth of information on the Union Army and its equipment." - John C. McManus, author of *The Second Seminole War*

If you are interested in the American Civil War, then you need to read *Army of the Potomac Men at Arms*. It is the definitive guide to the uniforms, weapons, and equipment of the Union Army.
