Poodles are one of the most popular dog breeds in the world, and for good reason. They're intelligent, affectionate, and hypoallergenic, making them a great choice for families with children or allergies.

If you're thinking about getting a poodle, or if you already have one and want to learn more about how to care for them, then Poodles For Dummies is the perfect book for you.

This book covers everything you need to know about poodles, from choosing the right one for your family to training and grooming your new furry friend. You'll also learn about poodle health, nutrition, and behavior.

Poodles For Dummies is written by Susan Ewing, an experienced poodle owner and breeder. She has been involved with poodles for over 30 years, and she has a wealth of knowledge to share.

In this book, Susan covers everything you need to know about poodles, including:

- Choosing the right poodle for your family
- Training your poodle
- Grooming your poodle
- Poodle health
- Poodle nutrition
