

# Socrates' Children: The 100 Greatest Philosophers

Philosophy is the love of wisdom, and it has been practiced for thousands of years. The great philosophers have sought to understand the nature of reality, the meaning of life, and the best way to live. Their ideas have shaped our world in profound ways, and they continue to be studied and debated today.

This book introduces the 100 greatest philosophers, from Socrates to the present day. Each philosopher is profiled with a brief biography, a summary of their major ideas, and a discussion of their influence on philosophy and the world. The book is divided into four parts:

- **The Ancient World:** This section covers the philosophers of ancient Greece and Rome, including Socrates, Plato, Aristotle, and Seneca.

- **The Middle Ages:** This section covers the philosophers of the medieval period, including Augustine, Aquinas, and Occam.
- **The Early Modern Period:** This section covers the philosophers of the early modern period, including Descartes, Locke, and Hume.
- **The Modern Period:** This section covers the philosophers of the modern period, including Kant, Hegel, and Nietzsche.

This book is an essential resource for anyone interested in philosophy. It is a comprehensive guide to the lives and ideas of the great philosophers, and it provides a valuable overview of the history of philosophy.
