★★★★★ 5 out of 5

## Explore the Uncharted Territories of Silent Film History

In the captivating world of silent cinema, Mabel Normand stands as an enigmatic icon. Her effervescent spirit and comedic genius left an indelible mark on the silver screen. The Mabel Normand Source Book, meticulously compiled by John Bengtson, has been an invaluable resource for scholars and enthusiasts alike. Now, with the release of the Mabel Normand Source Book Supplement, we are given an even deeper dive into the life and career of this extraordinary star.

## A Treasure Trove of Unpublished Materials

The Source Book Supplement is a meticulously researched tome that expands upon the original volume with a wealth of newly discovered materials. These include:

- \* Over 100 never-before-published photographs that capture Normand's enchanting beauty and talent.
- \* In-depth interviews with Normand's contemporaries, providing firsthand accounts of her personality and artistry.
- \* Detailed annotations of her films, revealing the behind-the-scenes secrets of her comedic brilliance.

## The Making of a Silent Screen Legend

Through the pages of the Source Book Supplement, we delve into Normand's humble beginnings as a Keystone Kop under Mack Sennett's tutelage. We witness her rise to stardom as one of the most popular actresses of the silent era, collaborating with legendary filmmakers such as D.W. Griffith and Charlie Chaplin.

The book also explores the personal challenges Normand faced, including the tragic death of her close friend William Desmond Taylor. Amidst the triumphs and heartbreaks, we gain a profound understanding of her indomitable spirit and resilience.

### **A Detailed Examination of Normand's Work**

The Source Book Supplement provides a comprehensive examination of Normand's extensive filmography. Each entry includes detailed plot summaries, cast and crew information, and insightful analysis of her comedic techniques. We discover the genesis of her memorable characters, from the mischievous "Mabel" to the sophisticated "Molly."

The book also highlights Normand's contributions to filmmaking, such as her pioneering use of slapstick humor and her involvement in the development of the two-reel comedy format.

### **An Invaluable Resource for Researchers and Film Buffs**

The Mabel Normand Source Book Supplement is an essential resource for anyone interested in the history of silent film and the legacy of Mabel Normand. It offers a treasure trove of information, providing a comprehensive exploration of her life, career, and enduring impact on cinema.

For researchers, the book provides a wealth of primary source material and historical context. For film enthusiasts, it offers a fascinating glimpse into the golden age of Hollywood and the artistry of one of its most captivating stars.

The Mabel Normand Source Book Supplement is a testament to the enduring fascination with Mabel Normand and her enduring legacy. Through its meticulous research and wealth of unpublished materials, the book illuminates the hidden corners of her life and career, offering a deeper understanding of her contributions to film history and her timeless impact on audiences around the world.

Whether you are a seasoned scholar or a curious cinephile, the Mabel Normand Source Book Supplement is an indispensable guide to the life and work of one of the greatest stars of the silent screen era.
